

GARINGAL ORIENTEERS

JUNIOR/STUDENT TRAVEL AWARDS

Garingal is keen to see junior and full-time student members of the club achieve their full potential. One means of supporting our younger members is through the provision of Travel Awards that facilitate travel to:

1. ONSW or OA-sanctioned activities targeted at the improvement of orienteering skills, or other activities approved by the Garingal Committee
2. National/International Championships as a representative of NSW or Australia.

In principle, any junior or full-time student member of Garingal may apply for a Travel Award subject to the following guidelines:

- The Awards are generally intended for travel expenses only and not for event entry or other costs such as equipment, clothing.
- Applicants must be members of Garingal Orienteers and be either a full-time student or a junior 20 years of age or younger in the year of registration.
- It is expected the applicant will have competed regularly in club events and made a contribution to the club.
- There are separate Awards for competing in national and international events, or attendance at State/National training squad activities. The applicant must have been selected in a State or Australian team to receive the award for international travel.
- Applicants should submit an application form to the Secretary of Garingal Orienteers (secretary@garingal.com.au) with details of the Award for which they are applying. This form is on the Garingal website (www.garingal.com.au).
- There will be a maximum of \$250/person per trip for national events and \$500/person per trip for international events. An individual may apply for more than one award in a 12 month period regardless of domestic/international travel.
- Awards are decided at the discretion of the Garingal Committee.

17th August 2022.

APPLICATION FORM GARINGAL ORIENTEERS TRAVEL AWARD 2022

Not sure you qualify? Apply anyway and let us decide.
